SARAH LONDRES

Counselor

How did you hear about camp?

A friend who worked there

If you were a box of cereal, which kind would you be?

Lucky Charms, a box with extra marshmallows!

What is one thing you do every day?

Brush my teeth. Because even I don't like me when I don't!

What is something you think everyone should do at least once in their lives?

Something that they've always told other people they never would do...

What is your all time favorite movie?

You've Got Mail. What can I say, Tom Hanks and Meg Ryan get me every time.

What fictional place would you most like to go?

Probably Rivendell. Just imagine a sunrise there.

What hobby would you get into if time and money weren't an issue?

This is difficult because I have tried so many different things, but when it comes down to it, I think it'd be amazing to learn how to hang glide. Random, I know.

What are you most excited about for summer 2019?

I'm just so pumped to get to create an environment, where both campers and staff alike can feel at home and safe! That hopefully allows the opportunity to share vulnerably and grow together.
