World cup soccer with the bedlam balls! It's always a super fun game and all of the kids and staff have a total blast getting painted up and cheering for your country!

What movie or band are you ashamed to say you actually enjoy?

One Direction. But at the same time I don't feel any shame.

Why are you coming back this summer?

I wouldn't want to spend my summer anywhere else. Ridgecrest is such a special place to so many people. I love getting to be a part of such an unique place with an incredible staff and to get to share the gospel with kids. Not to mention that camp is super fun! Im excited to get to work with my high schoolers again in Sioux and to continue the relationships that we formed last summer.

If a movie was made about your life, what actor would play your role?

Creed Bratton

What's your favorite Bible verse?

Acts 20:24 - "However, I consider my life worth nothing to me; my only aim is to finish the race and complete the task the Lord Jesus has given me- the task of testifying to the good news of God's grace."

If you could have lunch with any 3 people, past or present, who would they be?

Jesus, Michelangelo, and Martin Luther King jr.

What's your prayer for this summer?

That more kids would know Jesus after they leave camp. For campers to find their identity in Christ and to have a ton of fun while they are at camp. For the staff to grow in unity and to cherish the opportunity that we have. Personally, to be a better leader and follower. And for the new staff to fall in love with this awesome place as they get to love kids and show them the love of Christ.
