

Ridgecrest Summer Camps – Weekend Camp Guidelines

We are so glad that your family will be joining us for Family Camp this year! We are excited about what we have in store for you! Below are some guidelines for you to review and share with your family before coming to camp.

Please be respectful of other camp families, realizing that we all may not have the same views, opinions, and beliefs. Treat others like you would like to be treated.

Please refrain from discussing “hot topic” issues with other families while at camp, such as politics, sexuality or gender issues, abortion, etc. We have found it helpful when families realize that Family Camp is not the place to discuss topics like these.

No alcohol, tobacco, vaping, illegal drugs, or weapons are allowed at camp. Any prescription or OTC drugs that you bring to camp must be kept in a locked container in your cabin or locked in your car.

You are responsible for supervising your children at Family Camp. If our staff has concerns with your child, they will share them with you.

Father & Son Camp is specifically designed and programmed for fathers and boys while Mother & Daughter Camp is specifically designed and programmed for mothers and girls. Please understand that Camp's leadership will not be able to accommodate requests that deviate from this design.

Families that do not follow these guidelines may be asked to leave our camp, and no tuition refund will be given.

After reviewing these with your family, have one parent sign electronically below to indicate you have reviewed and agreed to these guidelines. Thanks!
