How many years have you been at camp?

This will be my 9th summer at camp!

If you could put anything inside a S'more, what would it be?

Definitely dark chocolate and maybe some banana too.

What is your favorite camp song?

Ki Yi Ki i Kuss! (There's nobody like us)

What is your favorite spot in camp?

The rock wall, or on top of rattlesnake at sunrise

What is your favorite camp memory?

As a Cherokee we were supposed to go on an overnight, but a storm ended up coming so we all had to be driven back to camp, and ended up getting to sleep in the pavilion with our counselors. It ended up being such a fun night!

What is your funniest habit?

In my apartment at school, my roommate has a boxer named Zulu, and when we talk to him we use our "puppy" voice which is putting "ch" in front of every word. Now I've gotten to the point when randomly in public I'll put "ch" in front of things, so it's become a pretty funny habit.

If you could spend a day with a person from the Bible, who would it be and why?

I would want to spend the day with Job, because I would want to hear his story and learn of His dedication to the Lord and how beauty can come from hard times.

What you are most excited about for summer 2017?

I am SO excited to be on central staff and in the infirmary this summer! I am in nursing school at UT Knoxville, so I am pumped to be gaining more medical knowledge, while being able to be at camp the whole summer!
