How did you hear about Crestridge?

My older brother started as a camper at Ridgecrest and urged me to go to Crestridge the next summer.

He didn't have to do much convincing, and the summer of 2011, I started as a cheyenne camper!

What Disney or Pixar ANIMAL Character would you be and why?

I would be Bolt from, well the movie Bolt. Bolt is very loyal and loving to Penny, and even when he realizes the acting isn't real, he still does his best to do the impossible to save his friends. I'd say I'm loyal like Bolt, and have unrealistic view of what I'm actually able to do. I'm not very discouraged by what others say I am or am not able to do.

What is your funniest habit?

At some point growing up, I caught the habit of sticking my tongue out like a lizard as a quick greeting when walking past someone. I realize it might come across as a rude, but at this point its involuntary. Its generally okay though, because the people I'm greeting, know me well enough that its endearment and not mocking.

What is your greatest fear?

I'm terrified of snakes larger than my fingers, and the big pools where they do shows at Seaworld. They are too plain, deep, and lonely that it scares me. I would much rather swim in the ocean or lake where there is life all around.

What is your all time favorite book?

The Bible, hands down.

When I have an hour of free time, I like to...

I love to read and paint. Anything art wise really, is how i spend my free time.

What are the top 3 things on your bucket list?

1. *I want to take pictures all across Europe of things like the flowers in Holland, people on the Eiffel tower, or the streets of London*
2. *Backpack anywhere in the world with a group of friends*
3. *Learn to surf in Hawaii*

Share in a few sentences what you are most excited about for summer 2017.

I am so excited to meet all the campers. Each camper is so unique and I am sure they have so many different things to teach me. I also can not explain the excitement I hold for living in the mountains all summer. It is great to get away from the city and create new adventures. I am so excited to build new relationships, and guide kids to Christ.
