PAY

You will be paid every two weeks, via direct deposit. You cannot be paid until all paperwork is complete. For payment amount, see your contract.

LAUNDRY

For counselors, your laundry will be done by our SALTs along with your campers'. For Central Staff, you may arrange a time with the SALTs that is most convenient for their schedule to do your laundry. Laundry bags must be of a reasonable small size.

INJURIES & SICKNESS

In the event of an injury, you may be covered under Worker's Compensation insurance. If you were to get sick, you will need your own personal insurance to cover any medical expenses.

TIME OFF

You will receive 2.5 days off for each two week period: one day during the session and then 1.5 days over the break between sessions.

CLOTHING DISCOUNTS

You will receive two staff shirts at no cost to you. Other clothing items can be purchased at a discount from our clothing store.

ARRIVAL DATES

There are many different arrival dates, depending on your position and trainings needed. For your official arrival date, see your contract, or an email from the Camp Leadership Team. Just because your friend is arriving one day, do not assume your arrival date is the same!
