How did you hear about Crestridge?

I was in 5th grade at the time, my mom randomly searched on Google for Christian summer camps. Camp Crestridge was the first one that popped up, I watched the promo video, and decided to try it out. One of the best decisions I've made to say the least!

What Disney or Pixar ANIMAL Character would you be and why?

Well, the first character that popped up in my head was Rapunzel from Tangled. I'm always up for an adventure...plus I'm really clumsy. But, when I asked my friends this question, they said I would be either the horse Maximus from Tangled or Mushu from Mulan..... I'm known for my craziness and humor haha.

What is your funniest habit?

I don't really have a funny habit, but I laugh. A lot. Like all the time. I also embarrass myself on a daily basis.

What is your greatest fear?

I'm not really scared of anything!

What is your all time favorite book?

I love the whole Harry Potter Series, but I'm more of a movie watcher. I'm obsessed with the new movie La La Land. I've seen it 3 times in theatres, it makes me so happy!

When I have an hour of free time, I like to...

Hangout with my friends, listen to music, journal, go to the gym, or watch Youtube videos. Oh and I'm always down to grab ice cream.

What are the top 3 things on your bucket list?

- 1. Backpack across Europe*
- 2. Go skydiving*
- 3. Be in a movie or TV show*

Share in a few sentences what you are most excited about for summer 2017.

I'm so excited for this summer! Camp is my second home, and always will be. There's just something amazing about standing on your chair in the dining hall while singing Disney songs with your best friends, or cooking dinner over a fire, or worshiping the Lord with the entire camp who loves Jesus just as much as you do. I can't wait to meet each of my campers, love on them, be their best friend, and show them the amazing love of our Savior. I know that God has so much in store and I can't wait to see how He changes lives, including my own!
