

Chase Marshburn

Choctaw Village Director

Chase Marshburn

How many years have you been at camp?

1

If you could put anything inside a S'more, what would it be?

A melted Reese's cup

What is your favorite camp song?

Choctaw's From East to West!!!

Or

I Just Wanna be a Sheep :)

What is your favorite spot in camp?

The Upper Green, especially very early in the morning or late at night when the stars are out.

What is your favorite camp memory?

Campfire is always my favorite night at camp, and I have countless memories from these nights. There were lots of Campfires last year where it was either raining or sprinkling, so building the fire proved a challenge. But somehow, we always managed to get it lit, even if that meant half of us holding a tarp over the fire while the other half built the fire. Getting to spend that time with just your cabin, then going down to sing songs and laugh and pray with the whole camp was such a special event. Tuesday nights are definitely the best at camp.

What is your funniest habit?

I don't know if I have one habit that stands above the others, but my friends often point out that when I'm listening to someone talk, I will often hum or mumble in agreement with whatever they're saying.

Apparently I do this a lot.

If you could spend a day with a person from the Bible, who would it be and why?

My answer would definitely be Jesus, but after Him I think it would be incredible to spend a day with the Apostle Peter. I have always loved Peter's story, his faith, and his writings, and getting to sit and listen to him talk about the time he spent with our Lord to becoming the rock the church was built on would be so powerful.

What you are most excited about for summer 2017?

I am beyond excited to just be back in the mountains with some of the best people I know. Getting to celebrate Jesus while goofing off and participating in camp traditions with such a great community--I don't know what else I could ask for! I'm excited to see what the Lord is going to do this summer and how He is going to grow both campers and staff.
