

DELANEY MCCABE

Counselor

How did you hear about Crestridge?

My cousin has been going for three years and loves it! I also have had a few friends attend, and I know multiple past and present counselors.

What is something you think everyone should do at least once in their lives?

Spend an entire rainy day in bed reading a book front to back. There is something so fun and interesting about getting through an entire novel in one sitting.

What is your all time favorite movie?

The Incredibles- I'm pretty sure I can quote half of the movie (and I can't wait for the second one!).

What is one thing you do every day?

I make my bed everyday. I know that is super random, but I think that having a made bed makes me feel put together and is a great start to conquering the day!

If you didn't have to sleep,

what would you do with your extra time?
Definitely travel. I love seeing new places, trying new foods, being adventurous, and exploring other cultures.

If you were a box of cereal, which kind would you be?

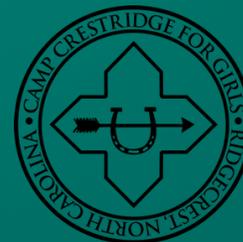

Fruit Loops- I love how colorful and fun they are!

Where's the coolest place you've ever been?

*Herbert Glacier in Juneau, Alaska. I got to take a helicopter to the top and walk on the glacier which was by far the *coolest* (pun intended) place I've ever been!*

What are you most excited about for summer 2018?

I'm beyond excited to form relationships with campers and staff and make fond memories with the people around me. I can't wait to experience the beauty of God's world and explore the wonders He has created. I also am so excited to see what God has in store for me and all the campers I'll be interacting with!
