

ELISE HARVIN

Counselor

How many years have you been at camp ?

I worked at Camp Crestridge last summer!

If you were a box of cereal, which kind would you be?

Froot Loops! They're so fun and happy looking!

What is your favorite campfire song?

"I Just Wanna Be A Sheep" because I love all of the motions that go along with it, and everyone loves to interact with each other while singing it! All of the campers and staff look forward to this song for sure!

What is your go-to flavor at Nibble Nook?

Anything with peanut butter and chocolate!

What hobby would you get into if time and money weren't an issue?

I would love to take as many types of dance classes as possible! I took dance for 7 years growing up, and I love learning types of dance that I haven't learned yet!

What fictional place would you most like to go?

Narnia!! My mom read all of the books to my sister and me when we were growing up, and I was always in awe listening to the descriptions of the different parts of Narnia!

What's your favorite camp memory?

That is SO hard to pinpoint, but one of my favorite memories would have to be hanging out with a cabin full of 10 year olds and watching them perform a talent show!! It was hysterical and really sweet to watch! They got so into it, and that's what I love about Crestridge - how passionate the campers and counselors get about everything they're doing!

What are you most excited about for summer 2019.

I am so pumped to have the opportunity to pour into girls throughout the summer! I'm so excited to witness God showing Himself to girls in a different way than they had encountered Him before!! I also can't wait to learn more about life and God from my campers! I can't wait to love on these campers, laugh until my stomach hurts, and have a blast this summer making memories to last a lifetime!!!
