How did you hear about Crestridge?

One of my friends gave a talk at our school about how she went to camp and it was a really awesome experience and how she grew closer to God. Two summers later, I got to go to camp for the first time as a Cherokee and I absolutely loved it!!

What is something you think everyone should do at least once in their lives?

I think everyone should have a conversation with someone they don't know! I know it sounds small, but I have seen God do some pretty amazing things when I have gone out of my comfort zone and talked to someone that I didn't know. :)

What is your all time favorite movie?

I would say Matilda, because I love books and I hope when I am a teacher someday. But recently I saw The Greatest Showman and that's pretty high up on my list too.

What is one thing you do every day?

Write with my Paper Mate Flair Pens. They're so fun and colorful and make me a lot more motivated to do all my school work :)

If you didn't have to sleep, what would you do with your extra time?
If I didn't have to sleep, I would probably find a pretty spot, hang up my Eno, and either read or talk with my friends. I love spending time outside relaxing! I also like to do crafty stuff like calligraphy, scrapbooking, or making friendship bracelets.

If you were a box of cereal, which kind would you be?

If I were a box of cereal, I would be Honey Nut Cheerios because I hope to sprinkle a little bit of sweetness and God's love in all the things I do in my everyday life.

Where's the coolest place you've ever been?

A couple summers ago my friends and I camped at a site on Lake Michigan and it was absolutely gorgeous!

What are you most excited about for summer 2018?

I cannot wait for camp to start!! God does amazing things at camp and I am super excited to see God work in new ways in the lives of the staff and campers this summer. I am so pumped to meet all my campers and have fun and get to share with them the life-changing love of Jesus Christ! And of course, I am hyped for all the camp activities, especially Singspiration and Nibble Nook!
