How did you hear about Crestridge?

I started going to Crestridge in 2011 because one of my good friends was a camper. She told me about all of the great experiences she had at camp, and I really wanted to go. Ever since, I have been in love with camp and look forward to every summer there!

What Disney or Pixar ANIMAL Character would you be and why?

I think I am most like Judy Hopps from "Zootopia" because I always try to do what is right and care about achieving my goals despite the obstacles that stand in my way.

What is your funniest habit?

I constantly quote movies and TV shows in conversations. Sometimes people get confused because they do not know what I'm referencing!

What is your greatest fear?

Being struck by lightning. I've had some close encounters that have made me scared of being stuck outside during a lightning storm.

What is your all time favorite book?

"Harry Potter and the Prison of Azkaban" because Harry finds out that he has a godfather and someone he can consider family. I love the whole series, but this specific book is one that I could read many times and never get tired of it.

When I have an hour of free time, I like to...

Either sleep or snack on food. I am a strong advocate for naps and I love food!

What are the top 3 things on your bucket list?

Go to all 50 U.S states, go bungee jumping in New Zealand, and ride in a gondola in Venice. I love travelling, and really just want to see the world!

Share in a few sentences what you are most excited about for summer 2017.

I am so excited to meet new people and make new friends! Between the counselors and the campers, I cannot wait to get to know everyone. After all, camp people are the best people! :)
