

# Jessica Giles

## Assistant Program Director

Jessica Giles

How many years have you been at camp?

*This will be my 2nd*

If you could put anything inside a S'more, what would it be?

*Reeses!*

What is your favorite camp song?

*I just wanna be a sheep*

What is your favorite spot in camp?

*"The campfire area"*

What is your favorite camp memory?

*My favorite camp memory was when my co-counselor and I got our entire cabin to blob together on National Blob Day! Some of our campers were terrified but it was so awesome watching them conquer that fear. We had a blast blobbing each other into the lake, laughing and bonding with each other that day!*

What is your funniest habit?

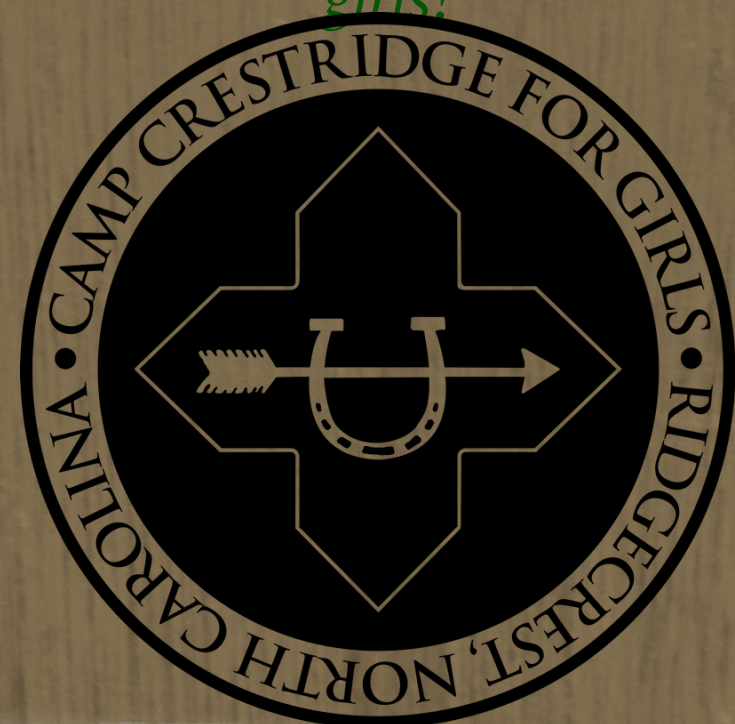

*Before I use any towel I always shake it out super rigorously for a few seconds to make sure there's no spiders on it. This makes me sound nuts, but one time I wrapped a towel around myself and there was a HUGE spider on it, so now I do that as a safety precaution.*

If you could spend a day with a person from the Bible, who would it be and why?

*I would spend a day with Mother Mary. Her strength, grace and devotion to to the Lord blows me away on a daily basis, and I would love to grab coffee with her and soak up all her wisdom!*

What you are most excited about for summer 2017?

*I'm most excited about seeing the incredible ways that God is going to work through the staff this summer and how that manifests in the campers. Last summer, the work that God was doing was SO visible to me in ways I had never experienced before, and I'm looking forward to seeing what awesome things he's going to do this summer for these sweet girls!*

Impacting Lives for God's Glory through Discipleship & Adventure
