How did you hear about Crestridge?

I heard about Crestridge from a coworker who has worked at Ridgecrest for the past 2 summers. He spoke so highly about camp that I couldn't help but apply!

What Disney or Pixar ANIMAL Character would you be and why?

I would probably be Lady from Lady and the Tramp due to my undying love for pasta. Other than that, I'd probably be Big Mama from Fox and the Hound because she embodies my natural motherly instinct.

What is your funniest habit?

I'm studying to be a registered dietitian aka I spend way too much time talking about kale. And I have a bad habit of spewing facts about diet and digestion and other fun things of that nature when it's maybe not totally wanted. I really can't help myself.

What is your greatest fear?

Suddenly developing an allergy towards dogs.

What is your all time favorite book?

I'm not a big fictional reader, I wish that I was but it's just not something I find myself reaching for. One of my favorite books is Crash the Chatterbox by Steven Furtick, I've read it probably 5 times and I love it more and more each time. It talks all about taking thoughts captive and changing our internal dialogue by replacing lies with Truth.

When I have an hour of free time, I like to...

I'm a big nerd and I love watching TedTalks and random documentaries. I like learning new things and entertaining new ideas.

What are the top 3 things on your bucket list?

- 1. Rescue a dog from a shelter (or maybe a few)*
- 2. Run a marathon*
- 3. Own a 1960's beetle*

Share in a few sentences what you are most excited about for summer 2017.

I am so incredibly excited to just be at camp this summer, I never had the opportunity to go to camp as a kid so I'm fulfilling a childhood dream by going this summer. I'm also so excited to be in a position where I can help young girls realize how strong, powerful, loved, and just all around rad they are.
