Counselor

**How did you hear about Crestridge?**

*I heard about Crestridge from one of my roommates, Carson Hatcher, who worked there last year.*

**What is something you think everyone should do at least once in their lives?**

*I think everyone should spend a summer, during college, completely devoted to God, like working at a camp or going on a mission trip! It's amazing the impact that completely devoting that much of your time to God has on your life - it's definitely life changing!*

**What is your all time favorite movie?**

*My all time favorite movie is "The Greatest Showman." The music in this movie is absolutely phenomenal!!!!*

**What is one thing you do every day?**

*Every day I eat a banana or some kind of fruit. It's my favorite!*

**If you didn't have to sleep, what would you do with your extra time?**

*If you know me, you know how much I value and love my sleep. So even if I didn't have to sleep I think I still would.*

**If you were a box of cereal, which kind would you be?**

*If I were a box of cereal, I'd definitely be Trix because who doesn't love all things fruity and colorful and acting like a kid from time to time... "Silly rabbit, Trix are for kids!"*

**Where's the coolest place you've ever been?**

*The coolest place I've ever been is St. Joseph's Peninsula in Florida. The sunsets on the beach were so so beautiful.*

**What are you most excited about for summer 2018?**

*This summer I am most excited about seeing God work in the lives of the girls that come to camp. It's so cool that I get the opportunity to be a part in sharing the gospel with kids for a whole summer. I'm also excited for how God is going to work in my life this summer and the things he is going to teach me through working at camp!*
