How did you hear about Crestridge?

I heard about Crestridge from a kindergarten bestie whose dad worked at Ridgecrest!

What Disney or Pixar ANIMAL Character would you be and why?

I would be Nemo from Finding Nemo, because I'm all about going on adventures, I'm very curious, I love making new friends, and my dad and I are really tight.

What is your funniest habit?

I am never properly dressed for cold weather. Winter is my favorite season, and I am all about soaking up all those crisp days before spring comes, so I often have chacos and shorts on in the dead of winter haha.

What is your greatest fear?

I think my greatest fear is disappointing the ones I love. Forgetting or oversleeping for an important event or missing the game winning shot are all out of my worst nightmare.

What is your all time favorite book?

I love Love Does by Bob Goff! Bob has the best analogies ever. Plus, his phone number is in the back of the book which is pretty sweet.

When I have an hour of free time, I like to...

Be outside! Whether it's going for a run on the beach or throwing the frisbee with friends, I love to be in the good, ole' outdoors. Or play ping pong! If I could play ping pong outside that would be a legendary hour.

"

What are the top 3 things on your bucket list?

I definitely want to go skydiving. I want to hike the Appalachian trail with my dad, and I want to pet a polar bear in Antarctica!
