How many years have you been at camp?

This will be my tenth summer at camp!

If you could put anything inside a S'more, what would it be?

100% a Reece's Cup. It doesn't get better than that!

What is your favorite camp song?

I just want to be a sheep!

What is your favorite spot in camp?

The upper green has the best view in camp! I could spend all day up there looking at those mountains.

What is your favorite camp memory?

I have never experienced as much joy as I did my first summer working at camp! We would have worship sessions directly after our staff meeting and everyone would be dancing and singing at the top of their lungs. I remember thinking that this was the way The Lord had intended worship to be.

What is your funniest habit?

I have to wear my slippers whenever I have clean feet. I never put them on unless my feet are completely clean and I don't take them off unless I'm right about to leave my apartment.

If you could spend a day with a person from the Bible, who would it be and why?

Okay, so obviously it would be awesome to spend the day with Jesus and see him perform miracles! But I would also love to spend the day with Esther! She is a strong, courageous woman and I would love to be able to learn from her.

What you are most excited about for summer 2017?

I am so excited to lead the Catawba village this summer! I can't wait to make new friends and see how The Lord moves in the lives of Crestridge campers and staff this summer. This summer is going to be the best yet!!!
