

MOLLY MESSERLY

Counselor

How did you hear about Crestridge?

My college friend grew up going to Crestridge as a camper and also was a counselor and as we became close she told me all about camp. I know it is going to be so much fun and I can't wait to see the way God works in everyone's lives this summer!

What is something you think everyone should do at least once in their lives?

Travel to a dream destination. It's always fun to get away from your normal and go somewhere that you have always wanted to go.

What is your all time favorite movie?

*Even though it's so new my favorite movie will always be *The Greatest Showman!**

What is one thing you do every day?

Eat. Who doesn't love food? I wish there were more than three meals a day.

If you didn't have to sleep,

what would you do with your extra time?
I am super busy all the time, so if I didn't have to sleep I could finally finish all of the things I need to get done and have time to relax.

If you were a box of cereal, which kind would you be?

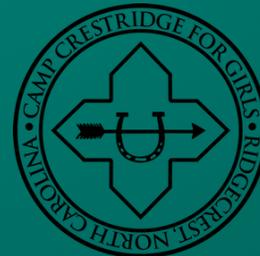

Fruity Pebbles for sure. First off, they are so pretty to look at and when you eat it it's such a refreshing taste.

Where's the coolest place you've ever been?

Tanzania in Africa! It was by far the most unique and coolest place I've ever been. To see how everybody goes about their daily lives was very eye opening to me.

What are you most excited about for summer 2018?

I am so excited to hangout with all my campers this summer and share God's love with them! I am also excited to see God work through every single camper and all of the staff's lives! Since this is my first year at Crestridge I am also so excited to experience all of the great things I have heard about it!
