

# PACKING LIST

## CAMP CRESTRIDGE

The following is a suggested list of clothing and items for camp. This list is by no means exhaustive, as many folks are apt to bring all their earthly belongings, and some bring nothing but a toothbrush. Also be forewarned that everything you bring is done so at your own risk and you WILL get dirty this summer. If you have any questions about what to bring, please give us a call and we will try to help.
