How did you hear about Crestridge?

I have a close family friend that told me all about the camp and I fell in love!

What Disney or Pixar ANIMAL Character would you be and why?

Doug from Up. He's always really happy to meet new people, he gets distracted by every possible thing, and he never stops talking.

What is your funniest habit?

If I'm being completely honest, I dab in the most uncomfortable situations. I'm not really sure why I do it or how to stop, so if anyone finds out a cure-let a sister know.

What is your greatest fear?

I have two. I am super afraid of spiders and horses. They're tied.

What is your all time favorite book?

I love the entire Hunger Games series of books. When I read through them the first time, my mom couldn't buy them fast enough. I think I read the whole series in a week and a half. They're so well written that I couldn't put any of them down!

When I have an hour of free time, I like to...

I like to nap. I apologize to my Pre-K teacher for always talking during nap time because I wish I could have that back.

What are the top 3 things on your bucket list?

- 1. Live in another country for at least a year.*
- 2. Participate in some sort of eating contest.*
- 3. Complete a full IronMan triathlon*

Share in a few sentences what you are most excited about for summer 2017.

I am really excited to love on awesome campers just as my counselors did when I was a camper! I want to share Gods word the amazing girls who will also teach me about life. And living in the mountain of NC for the whole summer sounds like my dream come true considering I was a 6 week camper and still didn't want to go home!
